

# Maulik C. Madhavi

Research Fellow, Department of Electrical and Computer Engineering, NUS, Singapore  
Email: maulik.madhavi@nus.edu.sg, maulikmadhavi@gmail.com, (Ph): +65-85443713

## Research and Technical Experience

|                        |  |
|------------------------|--|
| Dec, 2017-Present      | <p><b>Designation:</b> Research Fellow<br/>National University of Singapore (NUS)</p> <p><b>Project activities:</b> Chatbot for autonomous vehicle, Text-dependent speaker verification, ASR for healthcare calls, Form filling system.</p> <p><b>PI:</b> Prof. Haizhou Li</p> <p><b>Others:</b> Mentor and co-supervise the final year undergrad students for their projects.</p> |
| April, 2012-June, 2014 | <p><b>Designation:</b> Project Personnel, DA-IICT, Gandhinagar</p> <p><b>Project activities:</b> Prosodically Guided Phonetic Engine Development for Gujarati and Marathi languages</p> <p>Dhirubhai Ambani Institute of Information and Communication Technology (DA-IICT)</p> <p><b>PI:</b> Prof. Hemant Patil</p>   |

## Education

|           |   |
|-----------|---|
| 2011-2017 | <p><b>Ph.D., Information and Communication Technology (ICT)</b><br/>Dhirubhai Ambani Institute of Information and Communication Technology (DA-IICT), Gandhinagar.<br/>- CPI 9.75/10</p>                                    |
| 2009-2011 | <p><b>M.Tech Information Communication Technology (ICT)</b>, Communication Systems specialization.<br/>Dhirubhai Ambani Institute of Information and Communication Technology (DA-IICT), Gandhinagar.<br/>- CPI 8.26/10</p> |
| 2005-2009 | <p><b>B.E. Electronics and Communication (EC)</b><br/>V. V. P. Engg. College, Rajkot (Saurashtra University)<br/>Percentage (69.73%)(aggregate)</p>   |
| 2004-2005 | <p><b>H.S.C</b><br/>Gujarat Secondary and Higher Secondary Education Board<br/>- Percentage 85.80 % (aggregate), 70.77 %</p>  |
| 2002-2003 | <p><b>S.S.C.</b><br/>Gujarat Secondary and Higher Secondary Education Board<br/>- Percentage 82.14%</p>   |

## Skills

|                 |  |
|-----------------|--|
| Research area:  | Speech signal processing, voice search, speaker verification, spoken language understanding, deep learning for spoken language processing. |
| Tools:          | Bash, C/C++, Android (basic), Python, MATLAB, Git, Docker, kaldi, Deep learning frameworks (TensorFlow, PyTorch)                           |
| OS:             | Windows and Linux  |
| Google Scholar: | Citation: 158, h-index: 7, i10-index : 6   |

## Thesis and Project Details

|               |   |
|---------------|---|
| Ph.D. Thesis  | <p><b>“Design of QbE-STD System: Audio Representation and Matching Perspective”</b></p> <p>Query-by-Example approach for speech retrieval has been an interesting problem among speech research community. The problem of retrieving and detecting the location of the query within speech databases using spoken example is known as “Query-by-Example Spoken Term Detection (QbE-STD)”. The major outline of thesis are as follows:</p> <ul style="list-style-type: none"><li>• We present the representation and matching perspective in QbE-STD problem.</li><li>• Representation: We proposed vocal tract length normalization (VTLN) warping factor estimation in GMM framework in order to design posteriorgram.</li><li>• Representation: We proposed to the design of posteriorgram with the mixture of GMMs.</li><li>• Matching: We proposed different partial matching schemes to execute a non-exact audio matching task.</li><li>• Matching: We proposed feature reduction approach with phone boundaries into consideration and a segment-level bag of acoustic words approach.</li><li>• Representation &amp; matching: The use of different detection cues such as term frequency vector, self-similarity matrix, depth of detection valley along warping path for matching. In addition, we explored pseudo-relevance feedback and weighted mean features as additional representations.</li></ul> <p><b>Supervisor:</b> Prof. Hemant A. Patil</p> |
| M.Tech Thesis | <p><b>“Person recognition from their hum”</b></p> <p>The objective of the thesis is to use hum of a person for recognition. The major outline of the thesis are as follows:</p> <ul style="list-style-type: none"><li>• In-house humming data collection from around 97 subjects on a voluntarily basis for the old Hindi songs.</li><li>• A novel feature-based approach for person recognition using humming is presented.</li></ul> <p><b>Supervisor:</b> Prof. Hemant A. Patil</p>  |
| B.E. Project  | <p><b>“RADAR Based Navigation”</b></p> <p>MATLAB simulation of cross-correlation to detect the enemy target was the part of the project. In addition, a hardware module, which detects the object’s distance from that module, was also designed. Team Size: 4</p> <p><b>Supervisor:</b> Dr. Charmy Patel, V.V.P. Engg. College, Rajkot</p>   |

## Awards and Achievements

1. Received IAPR (International Association for Pattern Recognition) Travel Scholarship for presenting our joint paper in International Conference on Biometrics, ICB’12, Delhi, India. The grant has been approved by Dr. Salil Prabhakar (IEEE Fellow). Title of the paper is “Significance of Magnitude and Phase Information via VTEO for Humming Based Biometrics”. (Grant reference:IAPR009)
2. Graduate Aptitude Test in Engineering (GATE)-2009 exam qualified in Electronics & Communication Engineering with All India Rank- **2142**

## Invited Talks/ Presentations

1. Doctoral consortium talks on “Design of QbE-STD System: Audio Representation and Matching Perspective ”at Summer School on Speech Signal Processing, **DA-IICT, Gandhinagar** during 8-12 July 2017.
2. Talk on, “An overview of Query-by-Example Spoken Term Detection (QbE-STD)”, in ISCA supported Summer School on Advances in Speech and Audio Processing (ASAP) from representations and models to Applications, at **DA-IICT, Gandhinagar** during 19-20 July 2016.
3. 5 min Ph.D. competition, “Query-by-Example Spoken Term Detection - A template matching approach” at ISCA supported summer School on Speech Signal Processing (S4P) on “Speech Source Modelling and its Applications”, at **DA-IICT, Gandhinagar** during 4-8 July 2016.

## Conference and Workshop Attended

### International Conferences

- Asia-Pacific Signal and Information Processing Association, Annual Summit and Conference **APSIPA-ASC 2020** at **Auckland, New Zealand** during 7-10 December 2020. (presented 1 paper-Virtual event)
- IEEE International Conference on Asian Language Processing (**IALP**) 2020 at **Kuala Lumpur, Malaysia** during 4-6 December 2020. (presented 1 paper-Virtual event)
- **INTERSPEECH 2019** at **Graz, Austria** during 14-18 September 2019. (presented 1 poster)
- **INTERSPEECH 2018** at **Hyderabad, India** during 2-6 September 2018. (presented 1 poster with DA-IICT colleague)
- IEEE International Conference on Asian Language Processing (**IALP**), 2014 at **Kuching, Sarawak, Malaysia** during 20-22 Oct. 2014. (Presented 3 papers as well as 2 papers of speech research lab, DA-IICT colleagues).
- International Conference **Oriental COCOSDA** (The International Committee for the Co-Ordination and standardization of Speech Databases and Assessment Techniques), at KIIT college of engineering, **Gurgaon**, 25-27 Nov. 2013. (Presented 1 poster)
- The 5<sup>th</sup> IAPR International Conference on Biometrics (**ICB**) at **New Delhi**, India during March 29 - April 1, 2012. (Presented 1 poster)
- The Indo-Japan conference on Perception and Machine Intelligence (**PerMin’12**), Centre for Development of Advanced Computing (C-DAC), **Kolkata**, India during 11-12 January 2012. (Presented 1 paper)

### Workshops

- International Workshop on Spoken Dialogue Systems Technology (**IWSDS**), at **Sicily, Italy**, during 24-26 April 2019. (Presented 1 poster)
- International Workshop on Spoken Dialog System Technology 2018, **Singapore**, May 14-16, 2018
- Summer School on Advances in Speech and Audio Processing (ASAP) from representations and models to Applications, at **DA-IICT, Gandhinagar** during 19-20 July 2016.
- Summer School on Speech Signal Processing (S4P) on “Speech Source Modelling and its Applications”, at **DA-IICT, Gandhinagar** during 4-8 July 2016.
- Winter School on Speech and Audio Processing (WiSSAP) on “Production-Perception Based New Models of Speech Analysis”, at **DA-IICT, Gandhinagar** during 4-7 January 2015.
- CEP workshop on, “Text-to-Speech (TTS) Synthesis”, at **DA-IICT, Gandhinagar** during 16-18 June 2014.
- Deity progress review meeting and Workshop at **IIT-Kharagpur** during 8-9 March 2014.
- Winter School on Speech and Audio Processing (WiSSAP) on “Deep Learning for Multi-Lingual Speech Processing” at **IIIT, Hyderabad**, 17-20 January 2014.
- One-day CEP workshop on “Speech Signal Processing and its application” at **DA-IICT, Gandhinagar**, 14 October 2013.

- Deity progress review meeting and Workshop on “Development of prosodically guided phonetic engine for searching speech databases in Indian languages” held at **Thapar University, Patiala** on 9-10 March, 2013.
- Workshop on “HMM-Based Speech Synthesis” at **SSN College of Engg., Kalavakkam, Chennai** along with IIT-Madras during 26-30 November 2012.
- Deity progress review meeting and workshop on “Prosodic Labelling” at Speech and Vision Laboratory, **IIIT Hyderabad** during 25-28 October 2012.
- Deity progress review meeting and workshop on “Phonetic Transcription” at Speech and Vision Laboratory, **IIIT Hyderabad** during 11-13 May 2012.
- Deity progress review meeting and workshop on “Phonetic Transcription” at Speech and Vision Laboratory, **IIIT Hyderabad** during 18-20 February 2012.
- “DIT Workshop on Speaker Verification: Development and Applications” at IIT Guwahati during February 13-17, 2012.

## Other Activities

|                       |  |
|-----------------------|--|
| Organizing Committee: | Publication chair, Web content Manager, IEEE Automatic Speech Recognition and Understanding Workshop, 14-18 Dec. 2019, Singapore.  |
| Program Committee:    | Program committee member and Session chair for IEEE International Conference on Asian Language Processing ( <b>IALP</b> ) 2020   |
| Reviewer:             | ICASSP 2021, INTERSPEECH 2018, INTERSPEECH 2019, Interspeech 2020, APSIPA 2018, IALP 2019, IALP 2020, Computer Speech Language, Speech Communication, Elsevier, IEEE Access. |
| Volunteer:            | International Workshop on Spoken Dialog System Technology 2018 at Singapore, 14-16 May 2018.   |
| Volunteer:            | Summer School on Speech Signal Processing (S4P) on “Speech Source Modelling and its Applications”, at DA-IICT, Gandhinagar 4-8 July 2016.                                    |
| Volunteer:            | Winter School on Speech and Audio Processing (WiSSAP) on “Production-Perception Based New Models of Speech Analysis”, at DA-IICT, Gandhinagar during 4-7 January 2015.       |
| Volunteer:            | CEP workshop on, “Text-to-Speech (TTS) Synthesis” at DA-IICT, Gandhinagar 16-18 June 2014.   |
| Volunteer:            | One-day CEP workshop on “Speech Signal Processing and its application” at DA-IICT, Gandhinagar, 14 October 14 2013.  |

## Personal Information

|                 |   |
|-----------------|---|
| DOB             | March 4, 1988   |
| Current Address | Blk 59, Commonwealth Drive, #09-139, Singapore, 140059.   |
| Other Address   | “AUM”, 1-Wankaner Soc., Jamanagar Road, Rajkot, Gujarat, India, 360006.                                   |
| URL             | <a href="https://sites.google.com/site/maulikcmadhavi/">https://sites.google.com/site/maulikcmadhavi/</a> |
| Github          | <a href="https://github.com/maulikmadhavi">https://github.com/maulikmadhavi</a>                           |

## Declaration

The above information is correct to the best of my knowledge.

Maulik C. Madhavi  
March 1, 2021
